Date _____

Yes, I would like to enroll in WCCU's online (Internet) banking services – It's Me 247 and will do my utmost to keep my information secure. I so understand this is a service and if abused, this service and will be revoked.

I understand that my Password must have at least six (6) digits and can be alpha/numeric but is case sensitive. I understand that if my account is not accessed online at least every 89 days, my Password will expire. I understand that it is up to me to acquaint any joint owners on my account with my selected Password. I understand that the credit union does use a multi-layer security system and that all questions pertain to me and I will acquaint my joint owners with the relevant information.

I understand that I should have the Password reset, if required. The credit union can, without my permission, reset the Password for any of my joint owners without my knowledge on my behalf.

I acknowledge that I am solely responsible to keep my Password secure and will not hold Wexford Community Credit Union responsible for any transaction for my account through online banking.

VISIT OUR WEBSITE WWW.WEXCCU.COM

- Click on the It's me 247 button on the right hand side of the HOME page.
- User Name - Enter your member number.
- PIN/Password – The first time using ITSME247, your PIN number will be the last four digits of the master member's social security number. You will then be prompted to change the PIN. You may change the PIN to any six to ten digits you wish; this will now be your PIN. (*Note this will be a different PIN from CU*Talk Audio Response.) You will then have to select three security questions and answer them.

Features of Home Banking
